Aprire la porta della camera da letto è come alzare il sipario su una scena affascinante e coinvolgente. Lo spazio più intimo della casa è la cornice di un universo morbido e notturno, nel quale ogni dettaglio è dedicato a noi stessi. Un'istantanea di vita privata che suscita sempre nuove emozioni, in equilibrio fra memorie del passato e tendenze contemporanee, caldi materiali e fresche ispirazioni. Un viaggio fatto di sguardi che colgono l'essenza di un racconto senza parole, un sogno che prende forma e rimane a lungo nel tempo.

The most intimate space of the house will be the setting of a soft and nocturnal universe, in which every detail is dedicated to ourselves. A snap-shot of our private life creating new emotions, balancing past memories and contemporary tendencies, warm materials and fresh inspirations. A journey made of looks catching the essence of a story without words, a dream taking shape and remaining over a long time.

joy

design zanellato/bortotto

Dedicato al piacere di vivere la notte, Joy gioca con il contrasto fra il volume morbido e importante della testiera e del giroletto imbottiti, con le sottili e geometriche gambe metalliche. Il risultato è una sensazione accogliente e leggera, con un tocco di eleganza glamour in più, personalizzabile nei tessuti e nei colori.

Letto Joy rivestimento Dedar Proust 15, piedino ral 3005.

Devoted to the pleasure of enjoying the nightlife, Joy plays with the opposition between the soft and important volume of the headboard and the bedframe, and the thin and geometric metallic legs. The result is a pleasant and light feeling, with an additional touch of glamorous elegance, due to the possibility to customize its fabrics and colors.
